Please "EXCLUDE ME" out of  
Settlement Class D.

I understand that I am requesting  
to be excluded from the class  
monetary settlement and the claims  
process and that I will receive  
NO MONEY from the settlement.

The reason I am choosing this option  
is that First Transit, Inc. hired  
a NEW Employee from First Student, a  
black male, and started his PAY AT \$16.00  
per hour. When I was hired 2 years  
ago with 5 years of Transit Driving  
Experience, NOT school bus Experience,  
I was paid \$11.00 per hour. I am a white  
female & divorced. This is inconsistent  
with both Employment law and union  
Rules (Teamsters). He WAS hired AFTER me,  
by FIRST Transit

I ALSO feel that not allowing Employees

RE: First Group FCRA Settlement, Case No. 09 CV 6178 and 10 CV 7002

Dear Ms. Herbert,

Based on a telephone call you had today with a phone agent in our office, it is our understanding that you wish to withdraw the Claim Form that you submitted. Additionally, we understand that you may wish to exclude yourself from the settlement. This letter is to reiterate to you that we can not withdraw your Claim Form based only on your oral instructions. If you do not wish your Claim Form to be considered, you must submit that request to us in writing.

If you wish to withdraw your claim, you must submit a letter with your full name, your mailing address, your current address and your Social Security Number. In the letter, you must clearly state that you wish to withdraw the Claim Form that you previously submitted. Please note that if you do not submit a request to withdraw your claim, any timely, valid Claim Form that we receive from you will be considered.

Please note that even if you withdraw your claim, you will still be a member of the settlement class and will be bound by the release of claims contained in the settlement agreement entered into by the parties, although you will not receive any money from the settlement. If you want to preserve your right to sue First Transit or First Student, you will need to follow the directions contained in Paragraph 10 of your notice in order to exclude yourself from the settlement.

If you have any questions about this, please feel free to call us between nine and five-thirty, Eastern Time at (877) 296-8543.

Sincerely,

Misty McKinnon  
Project Staff

I take it that this letter is considered a legal document to me and will also be <sup>mine</sup> when I return it to you. Following are my statements on 6-1-11: (1) I do not want to be a part of this case or cases, (2) I refuse to give you my current address—the address where I am living, (3) I refuse to give you my Social Security number, (4) I have never "submitted" a Claim Form, (5) I do not in anyway want to help you with this group lawsuit,

(6) On my phone conversation it was first follow Paragraph 6 and now it is Paragraph 10. I was initially told to write on the form that I wished to be excluded which I did and apparently has been ignored by you, (7) I WISH TO EXCLUDE MYSELF FROM THE SETTLEMENT, and (8) Please don't bother me again.

Patricia Anne Herbert

## EXCLUDING YOURSELF FROM THE SETTLEMENT

### 10. If I want to get out of the settlement, what do I do?

If you don't want a settlement payment from this settlement, or if you want to preserve your right to sue First Transit or First Student on your own about the legal issues in this case, then you must take steps to get out of the settlement. This is called "excluding" yourself — or is sometimes referred to as "opting out" of the Settlement Class.

To exclude yourself from the settlement, you must mail a signed letter stating:

"I understand that I am requesting to be excluded from the class monetary settlement and the claims process and that I will receive no money from the settlement."

The letter must contain your name, address, and signature. Your letter must be sent to the Settlement Administrator at the address below and postmarked no later than **June 28, 2011**:

Settlement Administrator  
First Group FCRA Case  
P.O. Box 10564  
Tallahassee, FL. 32302-2564.

If you mail a letter requesting to exclude yourself from the settlement, you **will** be excluded from the settlement, **you will not get any settlement award**, and you **cannot** object to the Settlement. However, you will not be legally bound by anything that happens in this lawsuit.

### 11. What am I giving up to get an award or stay in the Class?

Unless you exclude yourself, you will remain in the class and that means that you cannot sue, continue to sue, or be part of any other lawsuit against First Transit, First Student, FirstGroup America, Inc., FirstGroup plc (UK), First Vehicle Services, Inc., Laidlaw Transit, Inc., or Laidlaw Educational Services, Inc. about the issues in this case. This means that you will give up any claims that arise out of the facts that were alleged in this lawsuit, including any claims under state laws. This also means that, unless you exclude yourself, all of the Court's orders will apply to you and legally bind you.

## EXCLUDING YOURSELF FROM THE SETTLEMENT

### 10. If I want to get out of the settlement, what do I do?

If you don't want a settlement payment from this settlement, or if you want to preserve your right to sue First Transit or First Student on your own about the legal issues in this case, then you must take steps to get out of the settlement. This is called "excluding" yourself — or is sometimes referred to as "opting out" of the Settlement Class.

*I choose to opt out.*

To exclude yourself from the settlement, you must mail a signed letter stating:

"I understand that I am requesting to be excluded from the class monetary settlement and the claims process and that I will receive no money from the settlement."

The letter must contain your name, address, and signature. Your letter must be sent to the Settlement Administrator at the address below and postmarked no later than **June 28, 2011**:

Re: Objection to First Student/ First Transit Settlement

Dear Sir or Madam:

I was first employed by Laidlaw, which First Student acquired one year into my employment. I believe I disclosed my bounced check charge on my record- which was lowered to a PETTY Misdemeanor at that time. When First Student had us complete new applications, I am not sure I disclosed this infraction or not. It was never intended to be hidden from the records.

Moving forward, I was called into the manager's office, told I failed to disclose this violation, and was terminated. I never received a copy of what my boss had with regards to my background. I know a parking ticket is a Petty Misdemeanor as my violation was too—and did not see why being a bus driver and bouncing a check had any relevance! Less than 30 days later, due to stress, I honestly, without exaggeration, had a heart attack! Should you wish, I can provide you a doctor's note of my heart attack. I pass BCA background checks annually at my government job, and have no record other than bounced checks—due to poor money management skills, which I have since corrected. I do not feel \$750 is in any way, enough payment for the mental and physical anguish I have experienced. In addition, the financial impact this had on my family was disastrous.

First Student frequently hires less than perfect employees, and yet someone with good work ethics is unjustifiably terminated. I ask this amount be increased to be more fair and equitable. I am not a person to rush out to sue employers but this case has brought light to the truth and I sincerely wish to see justice.

I look forward to hearing the outcome of this matter. As requested, I am sending a copy of this letter to all requested parties.

Sincerely,

Dear Mr. McKenna:

I write in regard to the class action lawsuit against First Transit, First Student, et al. I wish to *exclude* myself from the class action settlement. I hereby object to, and exclude myself from, the class action and the class action settlement.

I will be pursuing remedies on my own. Shortly after my unlawful termination from First Student, I suffered a heart attack and suffered other related injuries and damages. My physical health was destroyed when I was fired by First Student, which fired me because it had conducted, and used information from, an unauthorized search of my records, and did not provide copies to me.

If it is too late to exclude myself from the class in the FCRA case, I will seek permission from the court to do so retroactively. If the court rejects my requests to exclude myself from the class, I will, and do, object to the settlement.

I am currently represented in this case by James Heiberg, Attorney at Law, 316 Hampton Street South, Wayzata, MN, 55391. His phone number is (763) 276-3285. Thank you for your attention.
